

Do It Yourself FUNDRAISING IDEAS

BIRTHDAY PARTIES

- * A great way for family and friends to make a donation to FACETS instead of buying you a gift.
- * Use a compelling story about your partnership with FACETS and why this cause is so important to you. Donating to FACETS for your birthday is a great way to join you in supporting your favorite cause!
- * Use your new age as part of the fundraising goal! *“I’m turning 40! Help me make a difference for 40 families this year by donating to \$40 toward my \$4,000 goal!”*
- * Encourage those who supported you to do the same for their birthday.
- * Are you a birthday twin, triplet, quadruplet....? Get everyone you know who shares your birthdate in on the action. Coordinate a joint birthday fundraiser.

These ideas will help you get started. Feel free to be creative with other really great ideas regarding a birthday party fundraiser.
