How to Join the Fun

At FACETS, we believe everyone deserves a safe place to call home. Gingerbread for Good offers an age-appropriate way for children and families to learn about homelessness and poverty, discover who FACETS serves, and explore how small acts of kindness can make a big difference.

Gather a youth group, scout troop, family, or team of friends and build together! Not up for building? Come anyway to cheer on the creators and meet the FACETS team. **Everyone is welcome!**
